"There is no place more delightful than one's own fireplace."
-Marcus Tullius Cicero

"The fireplace is an appropriate element in any room. Imagine relaxing by the fire, reading the paper with a cup of hot chocolate, in your bedroom. It's very sensory."
-Gary Lewis

Tri-Stone, Inc. Fireplaces come in many shapes and sizes. Choose one that would best match your personal style or tell us exactly what you want, and we will make it. With so many colors, finishes, and designs available, Tri-Stone is the top choice of discriminating architects, builders, and informed individuals.
